

## UKAN+ EXAMPLE CALL APPLICATION

This is an example application. There is no guarantee that the application for call 2 will be an exact copy but material changes are not anticipated. ONLY applications received online via the website will be accepted.

### Part 1

If you have applied to UKAN+ previously please make us aware and detail in what you have substantially changed to improve the submission. Failure to acknowledge a resubmission may result in a default application.

How has your submission substantially changed?

0 of 500 max characters.

Why UKAN+? \*

UKAN+ will not fund research for which funding is available from other sources or which is a direct continuation of an existing research project. Have you considered another funding agency? Have you failed to win support?

0 of 500 max characters.

Proposal Title \*

0 of 200 max characters.

Lead Institution \*

0 of 100 max characters.

Proposed Start Date \*

0 of 100 max characters.

Duration \*

0 of 100 max characters.

Project team \*

Please provide all team members including non-academic partner(s) and indicate which member of the academic team are early career researchers

0 of 500 max characters.

Contact details - Further Applicant(s)

This section is to record participation of non-academic partner(s), if present

Name

Organisation

Geographical base

Company reference numbers (from Companies House)

Employee headcount at your company (select one)

Turnover (select one)

### Part 2

Repeat questions in section 2 is to facilitate blind assessment. Only part 2 will be issued the first assessment reviewers. Please do not reference personal details.

Chosen Award \*

Pilot/explorative projects (max. £60K)

Knowledge transfer project (max. £30K)

Expected start date \*

Duration (max 6 months) \*

Are you aware of any conflicts of interest that should be considered with regard to this proposal – e.g. associations with Management Board members? If 'Yes' give details below. \*

## UKAN+ EXAMPLE CALL APPLICATION

Proposed Project Title \*

Summary \*

Please provide a summary of your proposed research project. Please include an overview of the context, aims, objectives, impact innovation. This section should be understandable to the general public (max 400 words)

0 of 400 max words.

Equality, Diversity and Inclusion considerations \*

Sustainability considerations

Outline project plan and deliverables \*

Outline your project team and capability to develop your idea into competitive full-scale proposals without reference to personal data. \*

Reviewers will need to assess the capability of the investigator(s) to develop the idea into competitive full-scale proposals without having access to names/universities. This is to ensure blind assessment of the proposal.

Please indicate the Acoustic thematic area(s)/Challenge area to which this proposal fits: \*

### **Proposal Section**

**Questions 1-5 will be scored for assessment and are worth 10 points each, for a total of 50 points. You may refer to previous sections in your answer to avoid repetition. State the number of words in each section.**

**Question 1: Scientific merit (Design and method, background literature) \***

**Please do not make reference to any of your personal details.**

**0 of 400 max words.**

**Question 2: Value for money (Why is this research important and for whom) \***

**Please do not make reference to any of your personal details.**

**0 of 400 max words.**

**Question 3: Industrial relevance (Who are the non-academic partners and how will they be engaged in design and delivery? Who is the wider non-academic audience? How will you engage with them and ensure the project has impact?) \***

**Please do not make reference to any of your personal details.**

**0 of 400 max words.**

**Question 4: Potential for collaboration and bridge building between acoustic areas SIGS \***

**Please do not make reference to any of your personal details.**

**0 of 400 max words.**

**Question 5: Future funding How will the results from the explorative project develop to full-scale, high-quality responsive mode applications to the UKRI and other funders? \***

**Please do not make reference to any of your personal details.**

**0 of 400 max words.**
